Science & Technology**

Date- 22nd March 2021
Venue- Auditorium Hall , M.B.Govt.
P.G. College , Haldwani
Time- 10:30 a.m.

Patron

Dr. Kumkum Rautela
Director, Higher Education Uttarakhand

Workshop Objective

The workshop aims to create awareness among the faculty members, research scholars and young intellectuals. The objective is to make intellectuals inform about beneficial aspect of patenting their innovative and creative ideas and novel innovations etc. Such awareness in turn would be highly essential for the promotion of creativity, research and technical advancements and their industrial applications. The workshop is intended to cover various aspects of IPR like patents, copyrights, trademarks etc. and will focus on :

- > Concept and relevance of IPR
- > Components of IPR
- > Scope of IPR in academics research
- > Types of innovations and their patentibility criteria
- > Patent filing procedure and prior art search

REGISTRATION

This programme is open to academicians, research scholars and students (PG). All participants have to pay registration fees accordingly :

- Academicians - Rs 300
- Research Scholar- Rs 200
- Students (PG) - Rs 200

Registration fees includes registration kit, access to all sessions, certificate (hard copy) and high tea

Registrations will be done offline in college at registration desk
